It's in my stack of transcripts that are due. I've been set back two weeks with the flu. I did not know you thought it would be ready on exactly 1/31/11. The ordinary orders can get pushed back for a lot of reasons. Is there a date you're dealing with that you must have this by?

Slight change of plans. The attorneys have decided that they do not need the transcript to be expedited. If you can please advise me as to what the regular turn around is, and costs for same, I would appreciate it.

Thank you for your kind attention in this regard,

I forwarded your request to the court reporting supervisor. I don't believe the transcript could be completed until the end of the day Thursday since the record has to be fed ex'd out this week to be transcribed (even to me). Let me know if this would work for you and we'll go from there.
